DROVER FAMILY

The Drover Family Camper is the latest addition to our renowned Drover range. Engineered for families who seek exploration without compromising on comfort, the Drover Family is the perfect companion for discovering Australia's diverse landscapes. Whether you're immersing yourself in cultural experiences, traversing the red outback, relaxing on pristine beaches, or scaling rugged mountains, the Drover Family ensures your journey is smooth, stylish, and unforgettable.

Designed for family adventures

The Drover Family Camper boasts a thoughtfully designed interior, featuring an east-west facing king-size bed with expansive windows to let in natural light and refreshing summer breezes. A carefully arranged layout includes ample storage, ensuring both short weekend getaways and extended cross-country trips are effortless and organized.

Comfort and convenience

The camper's lounge area, complete with straight seating and a swing table, creates an inviting space to relax, dine, or unwind after a day of exploration. For ultimate convenience, the combination toilet and shower offers hot and cold water, a roof-mounted shower rose, and a Thetford electric flush toilet. A vanity unit and front loader washing machine ensure you're well-equipped for longer stays without sacrificing comfort.

Seamless camp setup

Setting up camp is quick and easy with the electrically operated pop-top roof, providing generous headroom and excellent ventilation. The camper comes equipped with multiple charging points, 240v outlets, and fans to keep you comfortable in any environment. Bushwakka's standard Complete Battery Management System, lithium batteries, and solar panels provide long-lasting off-grid capability, while the roof-mounted air conditioner and diesel heater ensure your comfort in any season.

Outdoor cooking excellence

The Drover Family makes outdoor cooking a breeze. An easy-access external kitchen features a 2-burner Dometic gas or induction cooktop, a stainless steel sink, ample storage, and 12v LED lighting. A large 95L dual-zone fridge freezer and Bushwakka's signature 8m Meg freestanding awning complete the outdoor galley, creating the ideal space for preparing meals and enjoying your surroundings.

Innovative storage solutions

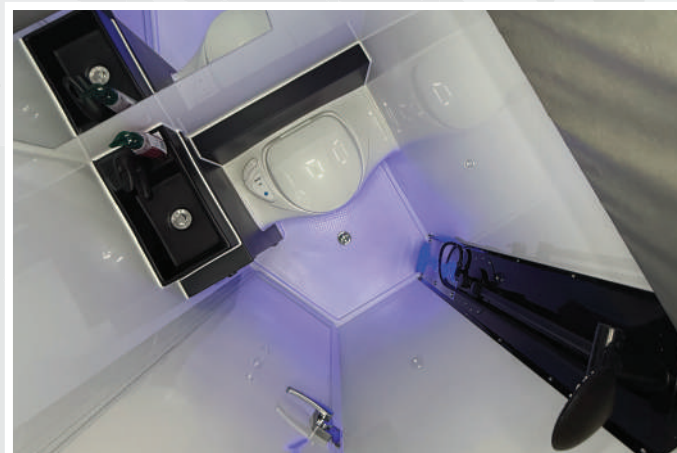

Bushwakka's innovative design maximizes storage space, offering generous room for larger items such as chairs, tables, and BBQs—ensuring the interior remains clutter-free and your vehicle stays light.

Built to last

With Bushwakka's renowned 6-year warranty and the rugged durability of Carbon Offroad suspension, the Drover Family Camper is designed to withstand the rigours of any adventure. Whether you're seeking new horizons or relaxing in the great outdoors, this camper promises an exceptional experience wherever the road takes you.

Explore. Relax. Repeat.

The Drover Family Camper is the ultimate choice for families who demand performance, comfort, and style in every journey.
